Membership: 30 Total– 29 Paid – 1 Honorary

President called the meeting to order at 7:30 PM.

Old Business:

Antennas from fire stations

Blanchester might have sold 2nd building in Wilmington, we need our antenna-they didn't sell yet

NVIS Day April 25, 2020 is now from home

NVIS: Near Vertical Incident Skyway, 10-15ft off ground vertical antenna

ARES Spring Meeting is now on air, 40m, 80m, and an unknown third and Ohio DMR talk group, is done in areas or divisions, 10 done in order

Mike Boyle WF8B renewed ARRL liability insurance for \$200

Paul Jellison K8IO- no report on vehicles and antennas from IHEART

Hamvention- on air, info on website

Field Day June 27-28th at Levo Farm, HARA has porta potty for Field Day

March 29th Hillsboro Exam 2pm, VE's need to be there between 1 and 1:30-cancelled

Fox Hunt- still up in the air

PL will be added to repeater soon, Andrew will update the web page to reflect that

New Business:

Next Meeting will probably be a net like this one- wait and see

Content is needed for Facebook and CCARA.NET

Training Classes- when it is safe to come out again, Andrew Adrian W9AMA and Sara Lamb KS8P are willing to help, live is another option

Paul Jellison K8IO repeater update- he is using a handheld from inside his home, it is working well

Dave Gordley K8DEG, Paul Gehringer WB8ZZR, and Mark Atwell KD8DGH, were called out to run ARES net and it was suggested at that time for the club to run a 2m check-in net on Thursday to keep people informed

Thursday nights until further notice at 7:30 on the 2-meter repeater

Monday thru Friday 5:30 until approximately 6:30 people will be on the 2-meter repeater to check in for updates also.

How can people pay dues- 1) clubs PO BOX 2) PayPal will be up on the website soon

Motion to close: 1st Sara Lamb KS8P, 2nd Terry Kerr K8YSP, all passed at 8:10pm.
